Indoor Athletics Competition

On Wednesday, a group of Year 6 children competed against other local schools in an indoor athletics competition at Lymm High School. The children performed superbly and showed great sportsmanship. Their hard work and determination paid off as they came in overall first place and are through to the Warrington finals, where they will compete against schools from across Warrington. Well done!

Curriculum

We have lots of exciting learning planned for this term. If you would like to find out more about the themes your child will study during the spring term, please use the following links to our school website: <https://www.oughtringtoncps.co.uk/page/year-group-overviews/117382> and <https://www.oughtringtoncps.co.uk/page/curriculum-coverage/127846>

Maths Adventure Days

We are pleased to announce that Years 1 - 6 will be taking part in a Maths Adventure Session next week.

KS2 will compete a lesson delivered by Subject Revolution (<https://www.subjectrevolution.co.uk/maths>) on Tuesday and KS1 on Wednesday. These sessions will be presented through a series of interactive and practical maths challenges set by drama and media content.

This will be a fantastic opportunity for the children to develop their problem solving and reasoning skills, work in teams across their own year group and to have lots of fun!

To support the cost of holding such an exciting event, there is a small charge of £2 per pupil - which is available on Parent Pay. Many thanks for your support.

Oughty Owls

A reminder that all communication regarding Oughty Owls **administration** should please be sent to oughtrington.admin@thebeamtrust.co.uk for the attention of Mrs Proud. Emails sent to other addresses within school may not be picked up, or there may be a significant delay in responding. General Oughty Owls communication should be made directly with the team through the normal channels.

Attendance

Regular school attendance is key to your child's academic and social development. It provides them with a structured environment to learn, build friendships and develop important life skills. Your commitment to their attendance greatly contributes to their future success and we ask for your continued support with this going forward.

Please ensure that children arrive punctually at school in the mornings and enter through their classroom doors at 8:50am. Registers will be completed at 8:55am. If your child arrives after this time, they will need to enter through the school office and will receive a late mark.

Smoking/Vaping

We have had continued reports of parents/carers smoking and vaping immediately outside the school gates. Please be aware that the driveway up to the main school gates is school property and we adopt a strict non-smoking policy on school grounds. We kindly ask that if you are wanting to smoke or vape, you are well away from the school gates or areas that children will have to walk through the smoke on their way in or out of school.

Thank you for your support.
