Our Values for this half term

KINDNESS

Oughtonington's Core Value

We are happy, confident and well-rounded individuals. We have empathy and compassion towards others. We celebrate differences and uniqueness. We recognise the kind acts that other people do for us.

Related Values

empathy, compassion, generosity, and respect

Actions that show this value

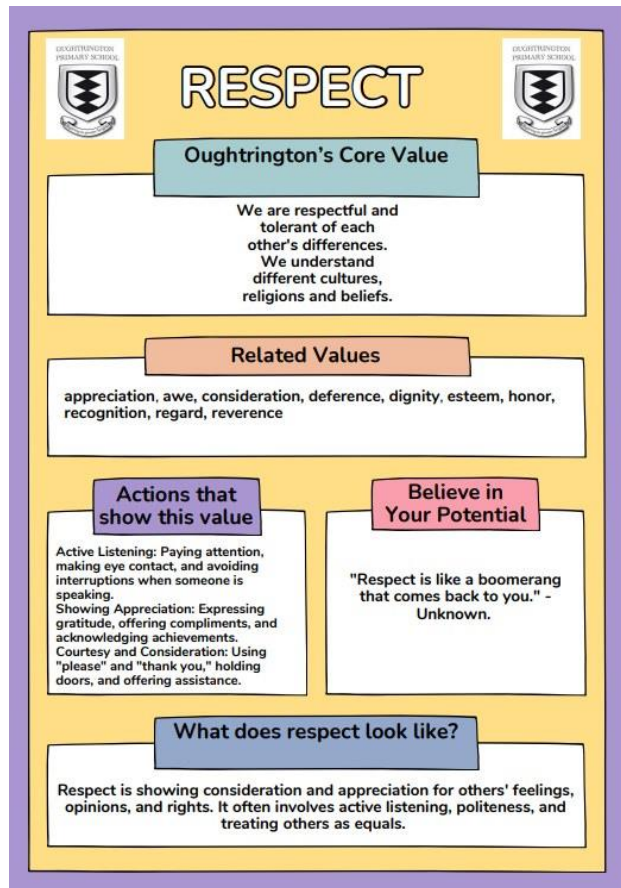

Offering words of encouragement: A simple motivational text or a kind word can make a big impact, especially when someone is struggling.
Having a positive attitude: Smiling at others and engaging in friendly conversation can create a more positive atmosphere.

Believe in Your Potential

"We rise by lifting others."
"It's cool to be kind."

What does kindness look like?

Kindness is an action, a way of showing compassion and generosity towards others, often involving helping or doing something nice for someone without expecting anything in return. It can be displayed through small, everyday actions or larger, more deliberate gestures.

Parents' Evenings

As communicated in the term ahead, parents' evening will be held on Thursday 9th October and Tuesday 14th

October. Bookings for appointments will be made via School Spider. This can be accessed via the School Spider app or by logging into the school website. If you are new to school or have not yet registered your account, invites will be sent out via the email address we have registered for you on Monday.

Bookings will open on Friday 26th September at 9:30am and will close on Friday 3rd October. Please contact your child's class teacher if you experience any problems with booking an appointment. Please download the app and register your account in advance of the 3rd October.

Please note that for Year 6H, Parents' Evening will be held on Tuesday 14th October and Wednesday 15th October.

A date for 5OH parents' evening will be confirmed for Autumn 2.

Reading

Reading with your child for at least ten minutes a day makes a huge impact on their language skills, cognitive development, critical thinking, empathy and imagination. It is amazing that a simple daily routine can be so powerful in your child's development.

In the early years of your child's education, they will bring home books that help them reinforce their phonetic development. Reading and re-reading these books help children to build up their fluency and understanding.

Once your children can read fluently, it is important not to stop reading with your child. Your role at this stage is to help them understand the meaning of more and more complex vocabulary and develop their reading fluency.

More information can be found here:

School Council reps 2025 - 2026

A huge congratulations to those children that have been selected School Council Reps: James, Charlotte, Finley, Lara, Jake, Lark, Ralph, Kacey, Vika and Bonnie.

The Council have been announced in Praise Assembly this morning and will have first meeting at lunch time today, where, in addition to other items, they will be deciding on the bronze, silver and gold badges for this year.

Thank you to every child that put themselves forward for School Council this year. We had a record number of children and extremely high quality, they should all be proud of themselves.

Mad Science Assembly 10th October 2025

Mad Science will be joining us for a fun filled, science themed assembly 10th October 2025. These assemblies are always very popular with the children and Mad Science are very good at engaging the children on this exciting topic.

Parking

When parking near the school, please be mindful of your surroundings. It's important not to block driveways or access routes, as this can create unnecessary stress for residents and disrupt emergency services. A little consideration goes a long way in maintaining a positive community atmosphere.

Dickensian - Saturday 13th December

As mentioned in our previous newsletter, Lymm Dickensian Christmas Festival is taking place on Saturday 13th December. If you would like to join us, we will be taking part in the parade in Elf outfits. More details for timings and location will be sent nearer the time. The organisers have requested volunteers to be marshals during the parade. We have been advised that the marshals can walk in the parade with school but will be required to attend a briefing beforehand and wear a high-viz. If this is something that you are able to support with, please contact the school office. Many thanks.

UPCOMING DATES

To register a place for your child or if you require further information, please contact me on 07925 800342 or email me at les_copains@btinternet.com

A bientôt

Sabine Power
Les Copains French Clubs

About the French Club

Les Copains is a French club that runs every Monday lunchtime and Thursday after school. We introduce French in a fun way by exploring the language through games and activities. Sessions are designed using detailed lesson plans that are structured to stimulate children's natural enthusiasm for language. At Key Stage Two the focus shifts towards writing skills and grammar although the emphasis remains on learning in a fun and stimulating way.

The Les Copains formula has proved to be hugely popular with children of all ages and ability. It doesn't matter if your child has had no previous exposure to the French language, the programme is designed with a lot of repetition and children soon pick up the basics from the activities.

Our three stage approach to learning begins in pre-school at age 3. It's never too early to introduce a second language, in fact, research has shown the earlier the better.

STREET DANCE WITH LIZ

Limited spaces, book now!

Join us for this fun dance class where we will spend time putting together a dance piece which will have a mix of learnt movement & choreography contributed by the children through group tasks

Classes are very hands-on and each week we'll help your children to create delicious recipes using a variety of skills.

After-school cooking classes
OUGHTRINGTON PRIMARY SCHOOL
Thursdays 3:15-4:15pm

Each week, children will make a dish from scratch to take home, along with a recipe card enabling them to recreate their masterpieces time and time again!

Classes last for 1 hour and are booked in blocks per school term. Each block will consist of both sweet and savoury dishes but will always follow the principles of healthy eating.

Term dates
Sept 4th - Oct 23rd

Ingredients, utensils and aprons provided.
Wipe-clean recipe card for every session.
